

# Discussion Leader

PA 640: Advocacy Organizations & Policy Change (Spring 2023)

20 points (x2)

Due: Varying Dates

## Overview:

For this assignment, you'll be working in a group with other students, serving as the "discussion leader" for an article ([selected from a pre-chosen list](#)). As discussion leaders, your group will spend 10-15 minutes guiding the conversation about your selected article. This discussion is both to remind students what the article was about, and address how the article contributes to our understanding of organizations, their strategies and tactics, and ways they can impact policy change.

## Requirements

As discussion leaders, you will develop your own set of questions to guide our discussion. These questions will be displayed/provided for the rest of the class. Feel free to also include the following questions:

- What are the main topic(s) covered in the article?
- What is the research question? What are the independent and dependent variables?
- What type of organization was the subject of the investigation?

## Grading

You will be graded on whether or not the above items are addressed.
